## clean [natural ingredients]

Vinoble Cosmetics products are based on purely vegan ingredients and are manufactured without animal testing in our own factory in Fresing (Austria) in southern Styria. The products carry the Vegan Society's vegan seal. No questionable ingredients are used. These include: parabens, paraffins, PEG substances, synthetic dyes, and hormone-activating substances.

The products are manufactured locally in accordance with ecological principles and strict quality guidelines. The product packaging made of wood, glass, and textiles does not require any outer packaging, setting new standards in terms of sustainability. It is inspired by nature and reflects a return to the essentials and the original. All raw materials come from suppliers in Central Europe. In some cases, regional raw materials are even used.

# SPA ETIKETTE

For a pleasant get-together  
... from the right dress code to advance reservations. Here are a few tips for your visit to our GesundKunft®-SPA Mooswald.

## Dresscode

The best way to relax is in our cozy, soft bathrobes, which you are welcome to wear to our treatments.

During massages, cosmetic treatments, and body treatments, your body will be covered and only the part of the body being treated will be exposed. We will provide you with disposable underwear.

Please always keep valuable items in your room/room safe.

## Health & Well-being

Your health is important to us. Please inform us of any intolerances, health restrictions, or if you are pregnant so that you can enjoy the full luxury of our treatments.

## Desired date

To ensure you get your desired treatment, we recommend booking your spa appointments before your visit. Please use the QR code on the back of the SPA MENU.

We will, of course, try to accommodate last-minute appointments. Please inquire at the hotel reception desk.

## Delay

We are unable to extend treatments beyond the agreed appointment time. If you arrive later than your booked appointment time, your treatment time will be shortened accordingly.

We therefore ask you to arrive approximately 10 minutes before the start of your treatment so that you can enjoy your booked pampering time to the full.

## Cancellation

If you are unable to attend your appointment, we kindly ask you to cancel at least 24 hours in advance out of consideration for other guests. Otherwise, we will charge you the full cost. Thank you for your understanding.

## Special requests

Please feel free to contact your therapist directly with any requests or suggestions you may have, whether regarding the intensity of the massage, lighting, music, or temperature control.

## Digital detoxing

You are welcome to consciously implement a "technology-free zone" and quiet conversation here.

With this in mind, we wish you a relaxing stay at our GesundKunft® SPA.
